*Providing high quality investment solutions
across asset classes.*

Our mission:

We use our investment management expertise to help people achieve a lifetime of financial security.

Our aim:

- Deliver superior investment performance that meets or exceeds our clients' expectations with an appropriate level of risk.
- Build long-term, trusting relationships with our clients by providing industry-leading levels of service.
- Offer our clients a robust, efficient and compliant operational platform that supports their investment needs.
- Provide continuous, sustainable and profitable growth by maximizing our core strengths and capabilities and working with our clients to provide the solutions they require.

High-quality investment solutions and strategies

Collectively, Aegon Asset Management's expert investment teams provide high-quality investment solutions across asset classes and strategies. Drawing on our considerable expertise, analytical tools and proprietary research, our specialist solutions teams provide off-the shelf and customized investment strategies and solutions for our clients.

Managing assets for clients around the world

Aegon Asset Management operates in the United States, the Netherlands, the United Kingdom, Central & Eastern Europe, Spain, Hong Kong and mainland China. It has three main brands:

- Aegon Asset Management specializes in providing clients with a range of high-quality investment solutions across asset classes, including fixed income, equities, real estate, absolute return, liability-driven, and multi-asset solutions. A long and successful history of partnership with Aegon’s insurance businesses has enabled Aegon Asset Management to establish experienced investment teams, a solid asset base and proven long-term records.
- Kames Capital is a United Kingdom based asset management company that provides fixed income, equities, real estate, ethical investing and multi-asset solutions to both UK and international clients.
- TKP Investments is a Netherlands-based fiduciary manager that is recognized for its manager selection and tailored advice to the Dutch pension market.
