

AEGON Central & Eastern Europe

Gábor Kepecs

Member of the Management Board, CEO AEGON CEE

Analyst and Investor Conference, London, 9 -10 June 2009

- Clear and ambitious strategy to strongly grow our leadership positions in the region
- Develop strong tied network and strengthen broker relationships
- Capture more synergies at regional level
- Focus on existing markets
- The region will continue to offer attractive long term opportunities
 - AEGON is well positioned to take advantage of them

Life insurance penetration - Size of bubble shows 2007 insurance density (life insurance premiums per capita)

Source: Sigma

- Growing Polish profitability mainly due to increasing risk component of life
- Positive Turkish growth following political environment developments

Return on equity versus technical reserves growth

Pension fund market assets under management (EUR billion)

Ambition

- Achieve market leadership (top 5) in all our markets
- Increase market share in life and pension
- Expand into mortgages throughout the region
- Maintain our market share in general insurance in Hungary
- Benefit from regulatory changes such as health reforms
- Exploit strong asset management performance in CEE

Progress

- Step by step improving position in every country
- Acquisitions in pensions
- Growing sales life / pension
- Postponing mortgages in Poland and Slovakia
- Strong new sales in home-insurance in 2008 in Hungary
- No reforms
- Mixed performance in volatile markets

Continued focus on profitability

1. Data from local regulatory bodies and per year end 2008

2. Unit-linked insurance

- Life
 - Mortality risk
 - Fees and growth in assets under management

- Pension
 - Cost-efficiency
 - Fees and growth in assets under management

- Non-life
 - Underwriting risk
 - Cost-efficiency

- Mortgage
 - Fee income

- Poland: minimal expected impact on profitability
 - Measures have been anticipated but brought forward
- Hungary: significant changes, but step by step approach
 - Opening system for older generation (over 52 years)
 - Decreasing asset fees (with guaranteed yields)
- Czech Republic: limited business impact
 - New capital requirements
- Slovakia: significant changes
 - Maximum asset management fees lowered
 - Demanding capital guarantee

Regulatory changes provide important opportunities
for strong and well positioned companies like AEGON

- Distribution expansion
 - Building tied networks: focus on quality
 - Strong broker relationships
 - Alternative channels: growing importance for growth

- Sharing best practices
 - Product design – Czech product range copied in Romania
 - Sales solutions – Common tied network concept
 - Sales Call Centre in Poland (copy of Hungary)
 - IT – FutureFirst (reduced time-to-market)

- Direct sales channel in Hungary successfully launched
 - New direct sales channel for non-life
 - Making use of existing call centres to create a strong sales channel

- Turkey
 - Reorganised sales force
 - Launch of life insurance in July 2009

New pension fund members

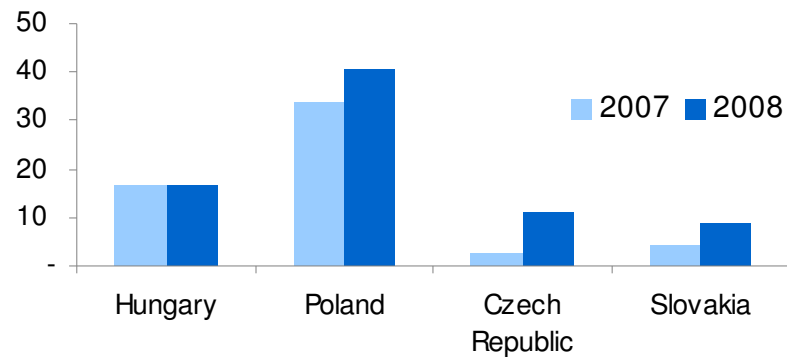

New pension fund members in 2008
